

D&E
WORKSHOP
QUALITY GLIDERS & ROCKERS

2024
PRODUCT CATALOG

D&E...HELPING YOU MEET YOUR CUSTOMER NEEDS WITH HEIRLOOM QUALITY FURNITURE AND PERSONALIZED CUSTOMER SERVICE

Is D&E a large furniture factory? NO!

Instead we are a small furniture workshop employing skilled craftsmen who use traditional hands-on woodworking skills and are dedicated to outstanding quality.

Can you see the quality difference in D&E rockers & gliders? YES!

We use only **solid hardwoods**. All our rockers and gliders are available in Oak, Cherry, Rustic Cherry, Brown Maple, Hard Maple, Hickory, Rustic Hickory, Elm and Quarter-Sawn White Oak (unless noted otherwise in product details).

The way pieces are joined together is another quality indicator. Our craftsmen use **mortise-and-tenon** joints for lasting construction. Points of stress on a piece of furniture are reinforced for added durability and long life.

When you run your hand over a D&E rocker or glider, you can feel the care the woodworker put into creating a **smooth finish**. We believe in enhancing the natural beauty of the wood so that each piece is a unique work of art.

Only the **best fabrics** are used to upholster D&E furniture. We use Heartland fabrics for their large selection of patterns, durability and easy maintenance.

Does D&E help you meet your customer needs? YES!

Trends change. D&E designs new **innovative styles** to meet customer preferences, from contemporary to rough sawn, while maintaining the classic looks our business was built on.

The term "You Get What You Pay For" is certainly true. You can find "bargain furniture" in all the big box stores, but D&E offers **heirloom-quality pieces at competitive prices** to high-end dealers across the country.

When you have a question or concern, you don't want to wait days to talk to a real person. If you call and get our answering machine, chances are we're out in the shop working, but be assured that **we will return your call in a timely manner**. We understand the need for fast, results-driven customer service. We are here for you.

With 8-year and lifetime warranties on major components, you and your customers can rest easy knowing that you are in good hands with D&E Workshop.

Performance Fabrics by Crypton

Soft - Durable - Easy to Clean - Resists Stains & Odors

Spot cleaning instructions:

- Wipe away excess mess using a clean, dry towel
- Mix a simple soap and water solution (1 tsp enzyme laundry detergent like Tide or Cheer with 2 cups warm water)
- Apply and agitate with a soft-bristle brush
- Blot with a clean towel
- Rinse thoroughly and repeat if necessary (Remember: soap attracts dirt so a thorough rinse is very important)

Green Guard Gold Certified Technology

Ultraleather®

- 100% Polyurethane surface with reinforced rayon backing
- Soap and water cleanable
- Earth friendly
- Green Guard certified
- Abrasion: 400,000 double rubs

Flammability: CATB 117 NFPA 260-Class-1 UFAC Class-1
