INSPIRED BY NATURE

We have been blessed with a landscape abundant in trees. Their leaves shade us in the summer; their strength protects us from winds; their very presence embraces us with a comforting warmth that touches our very souls. It is the fragrance and depth of color of fresh-cut midwest hardwoods that are the inspiration for Hoosier Crafts home furnishings...hand built and lovingly finished to add an element of natural beauty to any décor. Your heirloom-quality Hoosier Crafts pieces will last a lifetime and become family treasures passed from generation to generation.

WELCOME TO HOOSIER CRAFTS...

WE INVITE YOU TO BE INSPIRED.

HARDWARE OPTIONS

Knobs and pulls are more than practical in form and function. They can instantly transform the look of furniture that dons them. Selections include punched or hammered metals, brushed metals, and wood in choice of colors.

GLASS PANEL OPTIONS

Hoosier Crafts honors the beauty of the Arts & Crafts movement with carefully detailed stained or leaded glass door panels, an elegant option on many of our hutches, buffets, sideboards, and cabinets. Glass panel options are offered in designs that most aptly fit the furniture styles crafted in our woodworking shop while still giving the buyer many opportunities to customize each one-of-a-kind piece.
