

TOWNLINE *furniture* LLC

Beautifully Crafted Functional Furniture

WHERE IT ALL BEGAN

Townline Furniture is a family-owned business and committed to bringing high-quality dining room furniture, built to last for generations, to you, our customers.

With the third generation now involved in the business, we continue to grow and strive to meet the needs of our customers. Only select high-quality solid hardwoods are used, with the latest in designs.

We've been in business since 1978 and are focused on excellent craftsmanship and integrity to build memories from our Family to yours!

THE NATURE OF WOOD AND IT'S ENVIRONMENT

All hardwood has a variation in its color and grain. These wood characteristics give each piece of solid wood furniture its unique charm and although the finishing processes are identical, no two pieces will be exactly the same.

Because most hardwoods are open grained, solid wood furniture will expand and contract with changes in humidity and temperature, even after protective finishes have been applied. Care in controlling the furniture's environment will help minimize the minor cracking and warping that is a natural part of the wood's character.

Indoor humidity should be kept in the 35 to 40 percent range to minimize these effects. If the humidity moves out of the ideal range, solid wood pieces can expand or contract causing a split in the wood grains of the nice furniture.

Additionally, direct sunlight and fluorescent fixtures that contain ultra-violet rays can cause chemical changes in the wood and finish and should be avoided. Furniture should also be kept away from direct sources of heating and cooling and out of attic or basement storing environments.

With proper care, solid wood furniture will provide a lifetime of enjoyment and can be passed on to future generations.

CORE VALUES

Mission Statement

"To Value the smallest details so that quality and integrity are at the heart of everything that we do."

Quality

To always build furniture that can be loved in any home for generations to come

Dedication

To the craft, our morals, and customer satisfaction

“Devotion, Commitment, Enthusiasm, Perseverance”

Value

To create value in our products and the interactions we have with those we come in contact with.

“Worth, Price, Cost”

Accuracy

To pay attention to details and offer nothing less than the quality a customer deserves.

“Correctness, Accurateness, Exactness”

Integrity

To create a workspace of unified individuals who act with respect and honor. “Honesty, Price, Cost”
